MEDIA KIT 2018

DELIVERING AN AUDIENCE
OF ENGAGED PILOTS AND
FLYING ENTHUSIASTS.

Australian Flying

Australian Flying, first published in 1963, is Australia's favourite aviation media brand. Devoted to the best of general, recreational, business and sport aviation, we value and celebrate the contribution each of these sectors make to the flying market in Australia.

For our dedicated audience, we deliver them incisive and trusted information via our print, digital, website, social and enews platforms. With a focus on the latest technologies and the most up-to-date news we are a vital and relevant source of information for those in the commercial, civil, recreational and operational sectors of the aviation industry.

A passion for aviation unites our clients and audience - whether it is personal jets, six-seat tourers, helicopters, vintage props, accessories, travel or technology - *Australian Flying* provides the perfect opportunity to engage with dedicated professionals and enthusiasts alike.
